FOR IMMEDIATE RELEASE

Coral LLC's Private Labeling Programs Feature High-Quality Ingredients and Best-Selling Formulations

Businesses Can Promote Their Brand on Pure, Proven Products at an Affordable Price

CARSON CITY, NV (April 9, 2012) – [Coral LLC](http://www.CoralCalcium.com), the leading manufacturer of above-the-sea coral mineral products in the U.S., now offers companies the opportunity to purchase its high-quality, raw ingredients and powerful complete formulas for private label distribution.

An advantageous option for businesses that want to sell superior, excipient-free formulas under their own brand, Coral's private label programs are affordable and eliminate the hassle of creating products from the ground up.

"By providing purchase access to Coral's sustainably-harvested, all-natural minerals and best-selling supplements, we're allowing companies to associate their brand name with high-quality, proven products at a lower price," said Alberto Galdamez, marketing director for Coral LLC. "They have the option to manufacture their own formulas, or take a totally hands-off approach and have Coral produce existing or customized formulas from start to finish."

PURCHASE OF CORAL'S PURE, RAW INGREDIENTS

Those who wish to create and manufacture their own formulations with Coral's raw ingredients have access to the company's [Coral Calcium Powder](#), [Oyster Shell Powder](#) and [Natural Calcium Powder](#). These products are of the purest quality and are offered in different particle sizes.

PRIVATE LABEL FOR LARGE BUSINESS

Ideal for large-scale manufacturers, this program allows companies to promote their brand on:

- Existing Coral LLC formulas, from capsule supplements to toothpaste, water treatments and more
- Customized Coral LLC formulas
- Brand new formulas, created from scratch

For more information on the company's private label options, please contact Coral LLC at info@coralcalcium.com or (775) 883-9854.

Coral LLC, the leading brand of coral minerals, is the original coral mineral company in the U.S., using only eco-friendly "above sea coral." The company is located at 38 Diamondback Way, Carson City, NV. To learn more about the complete line of products visit www.coralcalcium.com or email Alberto Galdamez at alberto@coralcalcium.com.
