

Coral LLC Launches “Healthy Smile” Photo Contest for Facebook Fans

In support of “healthy smiles,” [Coral LLC](#), the original U.S. producer of eco-friendly, above-sea coral mineral products, is launching its first “Healthy Smile” Facebook fan photo contest on Thursday, November 15, 2012. The contest will run until December 12, 2012.

Fans have the opportunity to win the first place prize of a year’s supply of Coral Toothpaste plus \$200 in Coral LLC’s product of their choice. The second place winner will receive \$150 in Coral product of their choice.

Entering is easy. Go to [Facebook.com/CoralLLC](https://www.facebook.com/CoralLLC) and “like” Coral to enter the contest – just click the Healthy Smile Contest Tab. Fans simply upload a photo of their best smiles for the chance to win first or second place by receiving the most user-generated votes.

The first place winner will receive a year’s supply (24 tubes) of Coral LLC’s fluoride-free [Coral White Toothpaste](#) or [Coral Kids Toothpaste](#). Coral White and Coral Kids are the world’s only coral-based toothpastes and are also free of Sodium Lauryl Sulfate (SLS). In addition, the eco-friendly toothpastes are formulated with EcoSafe™ ionic calcium from above-sea coral. Coral White is available in Mint and Tea tree flavors and Coral Kids in Berry-Bubble gum.

Coral LLC will also give \$200 and \$150 Coral LLC gift certificates to the first and second place winners who can then choose from a diverse lineup of Coral products. The eco-friendly [“Friends of the Sea” certified](#) products range from Coral Calcium-based supplements to alkalizing water sachets and more.

Coral LLC, the leading brand of coral minerals, is the original coral calcium company in the U.S., using only eco-friendly “above sea coral”. The company is located at 38 Diamondback Way, Carson City, NV.
