Coral LLC Spices Up Cinnamon 6 with New Eye-Catching Packaging

CARSON CITY, NV (April 25, 2013) – **Cinnamon 6**, one of [Coral LLC's](#) popular nutritional supplements, will spice up retail shelves with a new eye-catching label to better describe the product and help inform consumers of its benefits. [Cinnamon 6](#) **combines cinnamon with five other herbs to offer the best natural formula to help maintain a healthy blood sugar level and assist in maintaining weight loss.**

In addition to cinnamon, the winning formula includes other adaptogenic herbs, scientifically proven by the USDA and Harvard Medical School to help maintain healthy blood sugar levels, including bitter melon, fenugreek, gymnema sylvestre, nopal and American ginseng. All are known to play an important role in the metabolism of sugar and have been used for this purpose by various cultures for thousands of years. **Cinnamon 6** also includes chromium polynicotinae, which is essential for protein, fat and carbohydrate metabolism.

Containing organic or wild harvested herbs, **Cinnamon 6** is exceptient-free, with no flowing agents or binders. Each bottle contains 243 veggie capsules and is available at natural food and vitamin stores nationwide or at www.coralcalcium.com. MSRP: \$49.95

“Those taking Cinnamon 6 may feel increased energy, mental focus and endurance within hours of taking the product,” said James Chappell D.C., N.D., Ph.D., M.H., co-creator of the product with Coral LLC.

Coral LLC, the leading brand of coral minerals, is the original coral calcium company in the U.S., using only eco-friendly “above sea coral.” The company is located at 38 Diamondback Way, Carson City, NV.
