## Step Up Summer Party Style with Flojos® Sandals *Women's Wedges Sparkle at Summer Celebrations and Events*

As summer temperatures start to spike, what a woman needs is a go-to shoe that can stand the heat, and still stand up to dress codes for events like graduation parties, Memorial Day and 4<sup>th</sup> of July celebrations, weddings and even office days.

[Flojos](#) has her covered with a slew of sandal styles appropriate for the hot months ahead and designed with just the right touch of sophistication to enhance outfits for any occasion.

Ladies will fall head over heels for the **Amour**, a simple, refined sandal with a sliver wedge, a slight metallic sheen and a subtly heart-shaped beaded charm at the toe (pictured right). Available in bronze, black, platinum or blueberry, the sweetheart sandal of summer is a steal at \$38 (MSRP).

Make a statement at summer events with the **Sylvia** (pictured right, MSRP: \$42), in black, cognac or white. A sliver-wedge sandal with a circular center vamp and wide straps, the Sylvia is highlighted by a large, round golden medallion with curving swirls cut out of it – a flashy and feminine accent for summer outfits.

In a period of shorter hem lines and glowing, bronzed skin, the nude-colored **Jana** sandal, (pictured at right in “cognac”; also available in black and coffee; MSRP: \$41), fits in perfectly while helping to elongate legs in the season’s best minis and shifts. Meanwhile, a smooth, soft sock, contoured sole and significant 2.25-inch wedge keep feet comfortable at long graduation ceremonies, weddings and other summer affairs.

Recognized nationwide as one of the top beach sandal manufacturers, **Flojos** is a name synonymous with fashion, comfort and style. The 2013 Flojos line includes numerous sandal, shoe and boot styles for men, women, children and toddlers, and can be found nationwide in chain stores, surf shops, specialty stores and fashion boutiques, or online at [www.flojos.com](http://www.flojos.com).
