

FOR IMMEDIATE RELEASE
ICES BOOTH# 629 & 631

Control Corrective Skincare Systems® to Offer Free Peel Certification Classes at ICES in Long Beach

on-trend peel certification classes, free for attendees.

Additionally, the company will formally exhibit its complete line of collection-based skincare products in booths 629 and 631 on the show floor.

“We’re excited to return to ICES and look forward to educating estheticians and spa professionals about our dynamic brand,” said Ellen Clark, company founder and president. “Our free classes, which offer certification in some of the most popular peels on the market, are not to be missed, as they are a fantastic opportunity to gain practical knowledge from the best educators.”

Control Corrective’s free class schedule and details are as follows:

Sunday, September 20

➤ ***Power Tools - Chemical Peel Certification***

For confident estheticians who want to offer more advanced facial services and explore chemical peels, this certification class will help them stay on the cutting edge and take their business to a new level. They'll gain the knowledge to confidently diagnose and offer the perfect, measured chemical peel for any client.

Time: 2 p.m. to 3:15 p.m.

Room: 101A

➤ ***The "More Flexible" Peel - TCA Peel Certification***

TCA peels are one of the most popular skin rejuvenation peels performed today. Its flexibility allows it to be used on its own or in conjunction with other exfoliators, and provides the esthetician more opportunity to improve clients' skin with little downtime.

Time: 3:45 p.m. to 5 p.m.

Room: 101A

Monday, September 21

➤ ***Layer by Layer - Jessner Peel Certification***

Deeper superficial peels are for clients who have received lighter peels and exfoliating treatments and now desire a more noticeable "peeling" of the skin. These more intense treatments can offer sensational results, but also require a better understanding of their properties, safety practices, pre/post considerations and home care.

Time: 2 p.m. to 3:15 p.m.

Room: 101A
