Flojos® Introduces Fall Shoes with a Flip-Flop Feel, For Under \$30 *Light, Bright and Colorful Closed-Toe Slip-Ons Help Keep the Summer Spirit Alive*

Summer may be over, but [Flojos](#) helps toes hold onto an easy-breezy, beach style with its new closed-toe, slip-on shoes. Staying true to the classic flip-flop philosophy, the new shoes come in vibrant colors; feature a light and comfortable design; and conveniently slide on to keep fall feet feeling upbeat.

Slip into the **Anika**, the new multi-colored, A-line, canvas slip-on (pictured right; available in maroon/violet and navy/olive; MSRP: \$26). Featuring a fun, fashionable, tapestry pattern, these cute kicks keep feet cool and contemporary, while brightening fall and winter wardrobes.

Tapping into the popular moccasin trend is the suede-like **Nina** (left; available in fuchsia, black or chestnut; MSRP: \$29). Flojos enhances the characteristic slipper style with glitzy jeweled detailing across the toe, a padded comfort sole and slight heel for a polished look, perfect for pairing with skinny jeans or leggings.

The full Flojos line includes numerous sandal, shoe and boot styles for men, women, children and toddlers, and can be found nationwide in chain stores, surf shops, specialty stores and fashion boutiques, or online at www.flojos.com or on [Facebook](#).
