## Control Corrective Expands Professional Sized Product Line for 2013

*Estheticians to boost facial treatments with additional Pro-sized products from Control Corrective*

Irvine, CA (November 27, 2012) – [Control Corrective Skincare Systems](http://www.controlcorrective.com), manufacturer of professional clinical skincare products since 1997, introduces several formulas now available in large, professional sizes for 2013.

The new, professional sized products include:

- **Firming Tri-Peptide Serum** (1.7 oz; \$49) - For all skin types needing surface plumping and visible wrinkle relief
- **Crystal C Serum** (1.7 oz; \$38) - Helps fight the signs of aging as it brightens and hydrates the complexion
- **Redness Relief Serum** (1.7 oz; \$36) - For sensitive, inflamed or rosacea-prone skin
- **Aroma Matte Day Cream, SPF 30** (6 oz; \$28) - Combines much needed sun protection with antioxidants, green tea, aloe vera and nongreasy moisture

“The [professional-sized formulas](#) give aestheticians even more product choices for use in any number of Control Corrective-based facial treatments, from peels to hydrating facials,” explained Ellen Clark, president of Control Corrective. “Skin care pros can also further profit while helping clients to maintain results by offering them the opportunity to purchase the same products in smaller, retail sizes.”

The additional professional sized formulas will be available in January 2013. For more information, visit [www.controlcorrective.com](http://www.controlcorrective.com) or call/email (866) 290-4290; [info@Controlcorrective.com](mailto:info@Controlcorrective.com).
