Flojos® Steps Up its ‘Glam’ for Winter Cruise and Tropical Vacation Style
Glistening Gems & Baubles Help Winter Feet Flee to the Heat

THOUSAND OAKS, CA (December 14, 2012) - [Flojos](http://flojos.com), top manufacturer of high-quality sandals since 1979, bedazzles women’s toes for warm-weather cruises and vacations this winter. With names like Glimmer, Fancy and Gem, the 2012-2013 Flojos women’s collection shines with numerous styles featuring on-trend sequins, sparkles and other adornments.

“Flojos’ 2012-2013 sandals are a girl’s best friend,” says Flojos Marketing Director Alan Beatty. “Offerings span from slim flats to memory-foam comfort sandals to towering fashion wedges - with each category providing women a bejeweled option so that they can dress up or kick back in Flojos as they escape to tropical shores and warm climes.”

With a gleaming strap featuring rows of jewel ornaments, the nearly four-inch **Gemma** wedge (pictured above-right) helps women stand out on Caribbean cruises. The padded suede sock and strap ensure enduring comfort. (Black, Coffee; Available January 2013; MSRP: \$45)

Featuring a sandy, washed look and soft, worn-in feel for instant comfort, the dressed-up **Sylvia** features a slight wedge and a circular, gold-colored swirl design on the strap (Pictured left; Available now in Cognac or Black; Available in White in December 2012; MSRP: \$42).

A broad, triangular strap with a jubilant cluster of jewels distinguishes the **Joy** (pictured right). In Black or Cognac, this slight-wedge sandal pairs well with evening attire, whether jeans or dresses. (Available January 2013; MSRP: \$27)

Boasting three side straps for enhanced stability on the foot, the **Gem** (pictured left) features a long center strap with large, lustrous gem accents. The strappy and unique style adds a touch of height with a slight wedge, making it ideal for day or night, poolside or casino. (White, Black; Available February 2013; MSRP: \$43)
